OUR IMPACT

The bikes from Yellow Bike have helped our unhoused clients access jobs, healthcare, and services across Austin. For many, it's their only possession, and a source of pride and independence. It's one of our most impactful and heartwarming programs.

OUR IMPACT

For our clients, survivors of violence, a bike means freedom and a fresh start. For their kids, it's a chance to just be kids again. The joy on their faces when they get their bikes is unforgettable. Thanks to Yellow Bike for helping make this healing possible.
